ACADEMIC STAFF CERTIFICATE OF ATTENDANCE

To Whom It May Concern,

This letter confirms that Assoc. Prof. Svitlana Vitushkina, PhD, who is an academic staff of V. N. Karazin Kharkiv National University, Ukraine, completed a study and scientific stay at the Department of Inorganic Chemistry, Faculty of Science, P. J. Šafárik University in Košice, from 15/09/2022 to 12/05/2023. This stay was within the framework of the agreement on cooperation between our universities to support the mobility of university teachers and researchers.

Assoc. Prof. Svitlana Vitushkina became familiar with the innovative approaches to learning by attending the following subjects:

Winter semester, 15 credits ECTS; 144 hours / semester:

ÚCHV/VCH/21 - General Chemistry - Credits: 9 (Completion method: Examination, Range: 4L + 4P)

ÚCHV/STA1/03 - Structure Analysis - Credits: 6 (Completion method: Examination, Range: 2L + 2P)

Summer semester, 11 credits ECTS; 108 hours / semester:

ÚCHV/PACH/03 - Practical from Inorganic Chemistry - Credits: 6 (Completion method: Evaluation, Range: 6P)

ÚCHV/VES/03 - Vibrational and electronic spectroscopy - Credits: 5 (Completion method: Examination, Range: 2L + 1P)

Total: 26 credits ECTS, 252 hours / academic year.

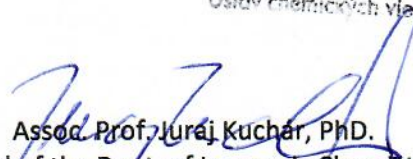

Additionally, Assoc. Prof. Svitlana Vitushkina increased her practical skills and professional competence in working on the modern laboratory equipment of our department.

I would like to state that Assoc. Prof. Svitlana Vitushkina's activity has made a significant contribution to extending and supporting the cooperation between our departments.

With best regards,
